Sub: Diversion of 50% MT quota CAO posts to the seniority quota with the approval of BSNL Management Committee-reg

Respected Sir,

The proposal for Diversion of 50% MT Quota of CAO posts of Finance & Accounts cadre was submitted to BSNL Board long back. But could not be discussed in the Board meetings of BSNL Board for the last one and half years. Whereas the diversion of MT quota of Engineering cadre have already approved long back.

It is therefore requested to get withdrawal of the issue from BSNL Board and resolve based on the Management Committee approval as it has already been settled in the Telecom Operation Stream. Due to the prolonged Court Case in the Hon'ble CAT Bench, Chandigarh, the promotion of AO to CAO is held up and the resentment among Accounts personal are mounting. Hence, it is requested to take immediate necessary action to get diversion of the 50% MT Quota of CAO so that the eligible officers can be promoted on regular basis as per the outcome of the Hon'ble CAT, Chandigarh.

Also requested that the gradation list of Accounts Officers may be updated and published to know the position of an officer in the list, as lot of Accounts personal retired during the last few years.

With kind regards,

Yours Sincerely
